

Disney in my Heart

Poway High School Choir
Spring Concert

A live outdoor concert featuring the Magical Music of Disney

Friday, May 21, 2021 7:00 PM

Poway High School

South Parking Lot on Titan Way

Welcome to the Happiest Concert on Earth...

Dear Choir Families,

I am so happy to be with you in person at last. Making music (live and in-person) with my brilliant and talented students is one of my most favorite things in the world, and going without it for a whole year has been heartbreaking. Though we have learned many new skills that will, without a doubt, be beneficial for these kiddos in the future, nothing can replace the in-the-moment experience of live, gorgeous, resonant human voices.

Finally, tonight, our singers present for you songs that have warmed their hearts (and ours) since they were small children - the music of Disney. I hope both the music and this eagerly awaited opportunity to be together tonight fill you with joy!

Warmly,

Ms. Schemmel

A Note from our Director

Massive, immeasurable thanks....

Let us not forget that it takes a village (if not a metropolis) to provide the special choral experience that PHS offers. Our choir families are the backbone of what we do, generously contributing their time, talent, and treasure. Every effort, big or small, makes a difference to us. Even if you have bought one box of See's Candy, volunteered at a single event, or reminded your child to get to choir practice on time, I thank you.

Of particular significance, these "graduating" boosters have been a tremendous help over many years. I cannot adequately quantify or summarize all they have done, but here is an attempt:

Megan Hoopes, President, for your dedication, and your calm, clear, collected leadership

Theresa Tynan, Vice-President, for your determined perseverance, and "leveling up" our fundraising efforts

Sarah Whitehead, Treasurer, for being the rare combination of detail oriented and easy-going

Holli Carter, Secretary, for always thinking outside the box and keeping our outlook fresh and fun

Maria Nunez, Ticket Coordinator, for remembering the important details we didn't think of

Jessenia and Giovanni Mejia, Decorating and Concessions Coordinators, for interpreting my vision more beautifully than I could imagine

Pat Whitson, Human Extraordinaire, for being my secret weapon, mentor, one-woman graphic design shop, ethics consultant, and logistics manager for the past 6 years

To all of our graduating choir families, thank you, and best wishes!!!

May the road rise up to meet you.

May the wind be always at your back.

May the sun shine warm upon your face,

And may the rain fall soft upon your fields, until we meet again. :)
